It was a pleasure to read the most interesting article written about you in The Detroit News.

I want to congratulate you - not only on being a very talented woman artistically and as a homemaker - but on your sincere interest in people. Many a "ray of sunshine" has been spread by you.

You have been a great asset to our community and we are certainly proud and grateful to have you among our residents.

With kindest personal regards to our new "celebrity", I am

Very truly yours,
