Your daily guide to life at sea

ketchikan thursday, september 14, 2017 • Coral Princess • Tonight's dress: smart casual

Weather: today's forecast: sunny - high: 61°F (16°C) low: 46°F (8°C) • sunrise 6:19am / sunset 7:03pm
tomorrow's forecast: partly cloudy - high: 59°F (15°C) low: 44°F (7°C)

so much to explore in ketchikan

Meet: Fabrizio Fazzini Executive Chef

Executive Chef Fabrizio Fazzini was born in a beautiful Ancona on the Adriatic Sea Coast, Italy. After graduating from culinary school, he traveled extensively throughout Europe, exposing himself to various dining establishments and decided on a life at sea. In 1984 Fabrizio joined the Princess family starting his career with the Princess Love Boat Pacific Princess. He started his career as Assistant Cook and was achieved rapid promotions due to his talent and culinary skills in cooking. Fabrizio was also a part of galley brigade when Princess Diana christened the Royal Princess. During his vacation, Fabrizio spends his time with family and goes cycling on the Adriatic sea coast.

Full of adventure and history, Ketchikan is a rustic town with spirited thrills to match. Watch burly lumberjacks as they show off their hand-sawing, tree-climbing, and log-rolling skills. Witness an Alaskan master carver working with totem poles. Feel like a true pioneer fishing for salmon or a Native gliding in a canoe on a secluded mountain lake. Put your camera to good use as you search for eagles, porpoises, seals and whales. Welcome to Ketchikan, home of non-stop action and never-ending experiences.

here are some of the day's onboard highlights

from the navigator

Overnight, Coral Princess sailed south to Ketchikan. Ketchikan sits on its own island, Revillagigedo Island and is famous for its thriving salmon fishery. On leaving Ketchikan, Coral Princess will continue south, sailing through the Revillagigedo Channel and passing over the US-Canada border (*Waypoint 5; page 78*) around 2am.

energy conservation

To maximize your comfort and to assist us in the conservation of energy, we kindly request that you refrain from leaving balcony and ship's side doors open.

security screening

All passengers returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Passengers with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

5:15pm - ALL ABOARD.
Coral Princess sets sail shortly afterwards.

ship's security notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you may be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.
